

“Following Jesus: Discipleship and Mission”

St. John’s Ida

1758 County Road 10, Cavan, ON

Saturday February 17, 2018

9 a.m. – 1 p.m.

In these challenging days it is all too easy for Christians and churches to be confused about the identity and work of the church. Dr. Robinson will help us explore what it means to be a community that is both called and sent. We are called to follow Jesus (Discipleship), and sent by Jesus into the world (Mission). Please join us as we learn and grow together. **To register please sign-up or call the church 705 944 5350.**

After completing his DPhil (PhD) in theology in the UK, Peter has served the church and the academy in a number of ways. He has been an associate priest and incumbent in the Anglican Church in the diocese of Toronto, and an adjunct professor at Wycliffe College and Tyndale Seminary. He continues to serve in the Diocese of Toronto as an honorary assistant and a member of the Postulancy Committee and the Doctrine and Worship Committee.
