

SUMMER SCHEDULE

Dear Friends,

During **the months of July and August** we will share our worship with the people of St John's. In July we will all worship at All Saints, whilst in August we will worship together at St John's. This is new venture for all of us here at All Saints and St John's and hopefully it will be an enriching time for all concerned

There will be two services at 10.00am. There will be a more traditional Anglican liturgy in the church and in the parish hall there will be the Open Circle liturgy. This liturgy is an integral part of the worship experience at St John's. The Open Circle is inclusive, interactive and considerably more informal than the traditional liturgy held in the nave of the church. One is able to share ones thoughts/questions etc. during the sermon time.

At the more traditional 10.00am liturgy we will continue the tradition of having choral scholars sing solos that enhance our liturgy.

Both Fr. Brad Smith of St John's and Pastor Jim Halmarson will share in the leading of the liturgies during these summer months.
