

# All Saints' Web Site Survey

Now that we have decided to keep our Church open we would like to develop a new and improved Web Site. We would appreciate it if parishioners who have access to the Internet would browse around our Web Site and then complete the following questionnaire. When you have completed it, you can hand them into the office at any time or e-mail it to [awothers@sympatico.ca](mailto:awothers@sympatico.ca). **In order that we can get started as soon as possible, it would appreciate if you could do this by December 22.**

Thank you

1. What could we eliminate that is currently on our web site?
